## What is AACRAO?

AACRAO and the state and regional associations (ACRAOs) share the same basic goals of enhancing not only the profession but also the professional development of the individual members. One of the fundamental strengths of our profession is the vitality of strong, active state and regional associations. These associations provide members with many professional development activities and opportunities and generally are instrumental in forging the informal networks that exist throughout the country.

AACRAO's Vice President of Leadership and Management Development and AACRAO's State and Regional Relations Committee formulate and share responsibility for AACRAO's relationship with state and regional associations.

## **Admissions Summer Institute (ASI)**

**Save The Date: July 27 in Lincoln, NE**

## ADMISSIONS SUMMER INSTITUTE

GPACAC and NACRAO are collaborating to offer professional development for college admissions professionals who have less than 2 years of experience. The one day workshop will include sessions, networking, and collaboration opportunities. Programming will include maximizing the high school visit & college fairs, financial aid, diversity and inclusion, and ethical admission practices. High school admission counselors and seasoned admission professionals will also provide insight and reflection and share career advice. ASI programming will serve as a tremendous resource and foster a professional network that will support your college admissions career.
