Committee Highlight

Professional Development - Admissions

What do we do?

The main charge of this committee is the organization of the Admissions Summer Institute (ASI).

Admissions Summer Institute is an event that AACRAO hosts in partnership with the Great Plains Association for College Admission Counseling (GPACAC). The event is a professional development opportunity for admissions professionals with less than 5 years of experience and includes sessions, networking, and opportunities to collaborate. For us veteran AACRAO members, this now takes the place of the New Counselor Workshop that used to be hosted every August.

We are looking for members to join our committee! The time commitment is an average of one meeting per month from February to July as well as attending the event (2024 date TBD; typically held in July).

Have questions or need more info first? Reach out to Ashleigh Eickhoff (aeickhoff@peru.edu).
