**Periodontists**

## In this Edition:

President's Message | Summer Meeting Recap | 2024 Winter Meeting  
2024 Summer Meeting | Clinical Case Spotlight | Oral Pathology Case | 2023 PerioDash

### Meet the SWSP President - Matt Steffer

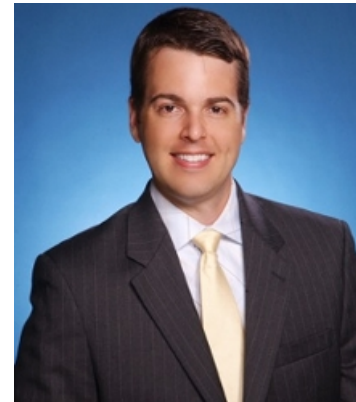

#### What is the biggest thing you'd like to see SWSP accomplish this year?

More growth with membership.

The board has been very intentional about trying to involve membership more; I would like to continue down this path of giving new opportunities for member involvement, whether it be at different locations of meetings or different ways to engage with members at the events that we have, either social or through the CE events. We will continue our new member & resident outreach we have done with more meet & greets.

Overall, I am looking forward to continuing to look for new ways to engage with the members

### Summer Meeting Recap

Over 70 periodontists, dental professionals, residents and vendors attended the 2023 Summer Meeting, held July 28 - 30, 2023 in Montgomery, TX at the Margaritaville Resort on Lake Conroe.

On Saturday, Susan Wingrove, BS, RDH presented on Long-term Prevention of Peri-Implant Complications: Implant Maintenance & Home-Care. Long-term Prevention of Peri-Implant Complications: Implant Maintenance & Home-Care. Dr. Ashley Clark, board certified oral pathologist, joined us to discuss Oral Cancer - A Focus on Prevention.

On Sunday, Dr. Andrew Rossi discussed Fully Digital Surgical and Prosthetic Procedure for Full Arch Restorations - The NSequence Protocol.

Attendees enjoyed the educational and networking opportunities provided by this year's meeting! Thank you to our Summer Meeting sponsors, NDX Sequence, Carestream Dental, Nobel BioCare and specialty partners, for their generous support.
